Centennial Scout Breakfast Aug 1st 2007

Attention Brian Banks
Director of Sales

Dear Sir:

Our 100th anniversary of scouting world wide was a huge success and our sunrise breakfast was a big hit.

Your contribution with the help of Paul that morning, was met with happy early risers and very favourable comments. Bingemans is a well known local industry with an excellent sense of corporate responsibility sensitive to both local and the broader community.

Thanks for your part in making a success of a special day.
