Notes:

THANKSGIVING DAY PICK-UP RE-HEAT INSTRUCTIONS

Turkey

1. Place covered container into the oven set at 275F for 45 minutes
2. Remove the foil and cook another 15 minutes @ 325F until the temperature of the turkey hits 165F.

*Be advised that cooking it longer and hotter will dry out the turkey.

Stuffing, and Mashed Potatoes

1. Place covered container into the oven set at 275F for 45 minutes (do not remove foil)
2. Serve when temperature of the food hits 165F or higher.

Vegetables

1. Cook vegetables covered at 275F for 30 minutes
2. Uncover and continue to cook for another 10-15 minutes
3. Remove from the oven and serve. Ideal serve temperature for the vegetables is 155F.

*Keeping vegetables in the oven longer could affect quality.
