

Bingemans Audio Visual Single Day Packages 2026

Our Partnership with Bingemans

This pricing guide is curated to simplify the planning process for our most common event configurations, ensuring the Vision and the Vibe are always on point. It provides seamless, high-quality solutions for meetings, events, and celebrations.

The Pynx "Powerhouse" Guarantee: These packages are just the beginning. Pynx Productions is a full-scale live event powerhouse. Whether you are planning a 20-person boardroom meeting or a 1300 person multi-day conference, our answer to any technical requirement is always "Yes."

Accessibility & Innovation (AODA) : We believe every guest should have an equal experience. Pynx is fully equipped to ensure your event is AODA compliant with solutions including:

- **Mobility Support:** Professional wheelchair stage ramps.
- **Audio Assistance:** In-ear assisted listening devices.
- **Global Reach:** Real-time translation services.
- **Virtual Connectivity:** World-class hybrid and virtual event streaming.
